

Cut, Copy and Paste Obstacle Course!

1. Write the word SCHOOL in the **boxes below** by using cut, copy, and paste
 2. Click on the letters and use CUT (CTRL & X)
 3. Click on the box you want to put it into, and use PASTE (CTRL & V)
 4. There is one letter you'll need twice! Click on it, and use COPY (CTRL & V)
 5. Click on the box you want to put it into with paste (CTRL & V)
- Don't drag the letters -- you are here to learn how to copy and paste! :)
 - OOPS! Deleted a letter? Insert a new one using Insert >> Image >> Search the web.
